

CONNECTORS UNLIMITED RECEIVES INNOVATION AWARD FROM GE HEALTHCARE

Painesville, Ohio – May 14, 2012 – Painesville Ohio-based Connectors Unlimited was recently honored by GE Healthcare with the 2012 Appreciation Award for Outstanding Performance and Dedication in the Area of Innovation.

The award was presented at the GE Healthcare Supplier Day on April 24th, at the Sheraton Hotel in Brookfield, Wisconsin.

Connectors Unlimited won one of ten awards presented at the event, which was attended by more than 500 people representing over 270 global suppliers from 20 different countries. The award recognized the innovative, collaborative approach that Connectors Unlimited has taken over the years to deliver cost-saving solutions for GE Healthcare needs.

According to Mr. Ralph Strosin, General Manager, Global Sourcing at GE Healthcare, "Connectors Unlimited has been a GE partner for over a decade. Their consultative approach to helping GE Healthcare solve design and engineering issues by creating innovative, cost-effective solutions has been a tremendous asset to our organization."

"We're honored to received GE Healthcare's Supplier Innovation award. GE Healthcare is a premier customer for Connectors Unlimited and we're proud to be partnered with the organization," commented Marty Ignasiak, President of Connectors Unlimited.

This is the first time that Connectors Unlimited has been honored at this annual event. In addition, Connectors Unlimited was awarded the privilege to present one of the educational breakout sessions at the GE Healthcare Supplier Day event.
